8 All the Resources You Need to Grow Your Business

Achieving success in a technology business is not easy, but you don't need to go it alone. We know your challenges firsthand, because **we've been where you are.** We've been in the trenches, grown IT services businesses from the ground up, **created money-saving automation** and helped **more than 4,300 IT businesses** along the way. **We're eager to share our experiences and knowledge to help you** reach your business goals.

Tools to Innovate and Automate

At LabTech Software, we know that we're only successful when you're successful. We also understand that sometimes you need a little help. That's why we're always developing new tools and resources to support your success. Here are a few LabTech partner favorites.

LabTech Partner Innovation Network
The LabTech Partner Innovation Network (PIN) is a global community comprised of LabTech Software's elite partners. The program lets partners connect with industry peers, exchange innovations, successes and best practices, and help shape the future of the LabTech platform.

The LabTech Actuators®
The LabTech Actuators develop and deliver best practices and industry foresight to help you achieve increased efficiency, productivity and overall business growth. Each member of the LabTech Actuators has vast experience in the IT services industry, from service desk, help desk, scripting and patch management to IT support, consulting and service delivery.

LabTech Software Blog
The LabTech Software blog makes it easy to stay up-to-date on industry trends, connect with IT industry thought leaders and get tips and best practices for driving IT service excellence, automation and overall profits into your IT business.

LabTech Resource Center

In the LabTech Resource Center, you'll find a full library of eBooks, case studies, webinars, tool kits, videos and more. We've made dozens of resources available—all designed to provide you with the knowledge and tools you need to boost your efficiency, profitability and growth.

LabTech Training and Support

We want you to get the most out of LabTech, so we offer comprehensive training tailored to your needs. Our free online distance learning through LabTech University covers everything from LabTech basics to zeroing in on ways LabTech can make your job easier. Search our library of weekly support webinars and how-to videos on LabTech TV. Our Best Practices Blue Prints are a favorite among technicians looking to optimize their use of LabTech.

Automation Nation

Our annual partner conference is the perfect opportunity to uncover the ins and outs of LabTech and learn from industry peers. Featuring over 70 breakout sessions and hands-on labs around operational efficiency, leadership and management, and service delivery, Automation Nation delivers two jam packed days of networking, collaboration, learning and fun.

"Automation Nation was an extremely inspirational event, and the new ideas I learned from this conference are going to have an immediate impact for us."
